SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Placement Verification and Follow-up of Job Corps Participants information collection. The collection consists of three primary and two secondary data collection instruments used to collect follow-up data on individuals who are no longer actively participating in Job Corps. The instruments are comprised of modules that include questions designed to obtain the following information: re-verification of initial job and/or school placements, employment and educational experiences, job search activities of those who are neither working nor in school, and information about former participants' satisfaction with services received. Workforce Investment Act (PL 107-210, Title I Subtitle C) authorizes, and the Workforce Innovation and Opportunity Act authorize this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. DOL obtains OMB approval for this information collection under Control Number 1205-0426.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on December 31, 2015. DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the Federal Register on September 4, 2015 (80 FR 53578).
